**“The unfathomable riches of Christ” (Eph. 3:18) which flowed from the pierced side of the Redeemer dying on the Cross, when He reconciled to the Father the entire human race, have been so clearly manifested in recent times by the growing cult to the Sacred Heart of Jesus, that from this devotion the most pleasing fruits have been produced for the benefit of the Church.”**

## First Friday Rosary

“Standing by the cross of Jesus were his Mother and his Mother’s sister, Mary the wife of Clopas, and Mary of Magdala”(John 19:25)

The Blessed Mother’s strength at the foot of the cross is rooted in a heart that is Immaculate in every way. Immaculate in love, strength, faithfulness, unwavering in determination and imbued with unfailing hope in the midst of the earthly chaos of her Son’s passion and death.( taken from 40 days at the Foot of the Cross)

Let us join her there in our 24 hour rosary on first Friday March 3rd covering all hours from just after midnight Thursday until close of Friday at midnight as we gaze upward at the cross in thankfulness for the fullness of the perfect sacrifice which held nothing back and let us draw our strength from following her example when faced with the earthly chaos of our own crosses.

Peace in the wounded heart of Christ !
